

"Reading Rocks" Theater

Inspire Your Children's Imaginations through the Magic of Reading

*"As perfect an early childhood education
performance as you will ever find..."*

Over 1000 CT/NY owners, teachers & directors agreed

Your Children Become the Show,

Over the past seven years Huga Tuga "Reading Rocks" Theater has taken 120,000 children on an unforgettable journey into the world of books. The information provided should give you a good understanding why Huga Tuga "Reading Rocks" Theater is considered the most creative and age appropriate in-school field trip available. We guarantee it will be a 'one of a kind' experience your children will not forget.

**Huga Tuga says...
READING ROCKS!**

THE EFFECT: Carolyn Leon, Parent, Lordship School, Stratford, CT

*"My daughter came home talking about Huga Tuga, she was so excited!
She asked if the blue Sea Monster could come live with us with
his stories. How could I say no to a kid who is so fired up about reading."*

Bonus: A great learning tool for teachers who would like to enhance their storytelling and interactive skills.
