

**For directors who are serious about
promoting reading at their schools?
(200 SCHOOLS SCHEDULE/YEAR)**

Governor M. Jodi Rell – State of Connecticut

“It is people like you that make the beautiful State of Connecticut such a wonderful place to live. Your continuing concern for early childhood literacy education is important to our future. Your thoughtfulness is greatly appreciated.”

Cathie Viola - Director - Noroton Nursery School, Darien, CT

“The children and teachers absolutely loved Huga Tuga. We have had programs in the past but nothing like this. The kids raved about the special effects, Huga Tuga song and the freeze dance. It was the most creative enrichment program I have seen. P.S. – The mom’s wanted me to thank you. Their children brought home the Huga Tuga books and they read them every night while cuddling with the Huga Tuga plush toy. They know all the words by heart.” Note: Visited 3 times this year

Heidi Johnson, Kid’s Castle School – Brookfield, CT

“I just want to say you were a breath of fresh air! I can’t wait for my youngest son to see you “live” someday soon. I’m writing to just say “Thanks” our world needs people like you!”

Gayle - Director – West Haven Child Development Center, CT

“How good is the program? We have a child who does not talk in school. During the Huga Tuga program he was up dancing and singing along with the other children. I have never seen a program in my 15 years that had this type of impact.”

New Canaan Children Playland / 203-966-2937

“We are very hesitant about bringing in outside programs. Joe guaranteed us it would be an experience the kids would not forget. He delivered on that promise.”

Building Blocks – Wallingford / 203-269-2266

“We can’t wait for you to visit our school again. The kids loved it!!!”
